Many thanks to everyone who has contributed to our fundraising either directly or by supporting others. It is worth noting that in addition to the fundraising for FOCM recorded above, supporters also raised £750 for Violet's crowdfunder

One of our Committee members has donated a significant amount of printing (for leaflets, posters, the petition, etc) and the FOCM banner, together with the refreshments for the fund raising event for Violet and other activities. We would also like to thank David L for printing the very large maps and to the Friends of Coppice Library for providing refreshments and support at our events there.
